

Promoting Positive Behaviour Policy

Our Behaviour Policy seeks to meet the needs of all learners through creating a positive ethos and climate of respect and trust within Dunecht School. Building and nurturing relationships is at the heart of a successful and happy school.

It is our expectation that all pupils will follow our school values:
Individuality, Resilience, Adventure, Positivity, Integrity, and Diligence

All staff follow our [Positive Behaviour Flowchart](#) for all behaviour related incidents.

Staff use the [Restorative Practice Procedures](#) to ensure positive behaviour is routinely encouraged and effectively supports instances of conflict. Staff consistently recognise positive contributions throughout the school by the awarding House Points, Green Certificates and verbal praise. Dunecht School follows a restorative approach to supporting instances of conflict in order to move away from assigning blame and punishment, and instead repair the harm done to relationships.

Where incidents of bullying are identified, Dunecht School follows Aberdeenshire Council's [Anti Bullying Policy](#) and guidance
